

## TO BEAT HER RECORD

Nancy Hanks Will Try to Lower  
2:04 Today.

## TRACK CONDITIONS FAVORABLE

Bonner's Majolica Defeated, Though a  
Hot Favorite—Reina Lowered  
Her Record 1/4 Second.

GRAND RAPIDS, Ind., Sept. 27.—Brighter  
sun and a soft southwest wind brought  
out a larger crowd for the second day  
of the fall race meeting of the Western  
Northern circuit. It was an ideal racing  
day and the track was at velvet edge.  
It seemed like a sure thing yesterday  
when the 2:17 trot was carried over that  
Hildebrand would win, and he did not  
disappoint his backers. He came out in  
good shape for the first event on the  
card and McHenry had no trouble land-  
ing him winner.

With only three starters in the 2:12  
trot Mark Sirius caught to have won  
hands down, and when Reina captured  
the first heat in the slow time of 2:15 the  
judges warned Shuler that Sirius must  
not be laid up again. Reina knocked  
1 1/2 seconds off her record in the second  
heat, after which Sirius captured the  
race in ding-dong fashion.

A great field of horses scored up for  
the 2:25 trot and marked the downfall of  
another hot favorite. Hickock's mare  
was a hot choice and in only one pool  
had some one outbid on Cartridge last  
night so fast did the money pour in on  
Alajandra. It was, indeed, a race and  
before it was ended the colors so long  
borne by Majolica as the fastest green  
trouser ever bred by Mr. Bonner had to  
go down before the game son of Eld-  
ridge and Lady Stout. Alajandra was  
not in racing form and only in the last  
heat after a bad break did she show  
anything like the speed her heavy back-  
ers had looked for.

Tomorrow's events are the 2:20 pace,  
2:10 trot, free for all pace and 2:15 trot,  
with Nancy Hanks to go against her re-  
cord as the great special feature.

Nearly a hundred horses were in the

Thrilling Stories and Eloquent

Some of the Most Remarkable  
Experiences on Record.

Statements of Facts of Unique  
and Unvalued Interest.

The following extraordinary occur-  
rences have lately developed, and we  
give our readers all the interesting facts  
precisely and exactly as they took place  
and in the words of the persons chiefly  
concerned.

H. M. Levy is a widely known resident  
of Newark, N. J., living at 100 Mulberry  
street.

"Having suffered for six years," he  
said, "with terrible racking pains in my  
back and chest and so nervous that I  
could not attend to business from loss  
of sleep and appetite that it almost  
seemed as if I were dying, I tried five doctors in this  
city and could find no relief.

"At last I was told to try the famous  
medicine, Dr. Greene's Nervura blood  
and nerve remedy, and after taking not  
quite two bottles found myself perfectly  
well.

"During my sickness I lost flesh until  
I only weighed 135 1/2 pounds, and now I  
weigh 210 pounds.

"I have only praise for this wonderful  
remedy and do all in my power to recom-  
mend it to my friends. I have told  
several of my customers who have tried  
with beneficial results."

"Mr. Samuel W. Thompson, who re-  
sides in Abington, Mass. (P. O. box 209)  
says:

"I thank God that at last a cure has  
been found for nervous diseases. I was  
a terrible sufferer and tried doctors and  
medicine, but found no cure. I was  
almost crazy at times. I was so nervous.  
But now I am perfectly well and owe it  
to Dr. Greene's Nervura blood and nerve  
remedy. God bless this wonderful medi-  
cine! I would have been in my grave  
but for it. I have been, as it were,  
raised from the dead and am alive and  
well. Only think of it, friends! I am  
unable to adequately express my thanks  
for I believe this is the King of all medi-  
cines."
